Dear Sir (Madam):

I am pleased to advise you that the prefix for Yukon Amateur experimental stations has been changed effective this date.

From this time on the prefix to be used is VY1 in place of VE8. The last portion of your call sign will remain unchanged.

If you have any comments or queries, please contact me at the above address or phone 667-5102.

Yours truly,

I.W. Rutherford,
District Manager.
