DEAR SIR OR MADAM;

THE YUKON AMATEUR RADIO ASSOCIATION HAS COME INTO POSSESSION OF A TRAILER WITH A CRANK-UP TOWER. THIS TRAILER IS HOME MADE AND IS ABOUT THE SIZE OF A MEDIUM BOAT TRAILER, SINGLE AXLE, YELLOW IN COLOUR.

THIS TRAILER WAS A DONATION FROM MURRAY SMITH'S COMPANY, ARCTIC DIAMOND DRILLING. THE TRAILER HAS BEEN SITTING ON A PRIVATE LOT FOR SEVERAL YEARS WITHOUT PLATES OF ANY KIND, THERE ARE NO SERIAL NUMBERS.

THE YUKON AMATEUR RADIO ASSOCIATION WOULD LIKE TO PURCHASE A TRAILER LICENSE FOR THIS UNIT SO THAT WE CAN USE THE TRAILER FOR EMERGENCY RADIO PREPARATION.

THE TRAILER IS NOW IN THE POSSESSION OF THE YUKON AMATEUR RADIO ASSOCIATION AND IS NOW BEING MADE READY FOR USE.

THANK YOU FOR YOUR CONSIDERATION

RON MCFADYEN, VY1RM
