Dear Sir or Madam!

Please accept my resignation from the Yukon Amateur Radio Association as of 31 December 1984.

I will continue to assist Y.A.R.A., with support to E.M.O. whenever I am able.

I regret that the lack of any interest, in Amateur Radio, by the majority of Yukon Amateur Operators has led to my resignation. During my six years as a member of the Y.A.R.A., while enjoying the company of its members, I have watched the club slide lower and lower. I feel that as a member of the Y.A.R.A. I must take partial responsibility for its slow demise and for this I am truly sorry. In the future I sincerely hope that the Y.A.R.A. will recover but in the interim I feel that I can neither contribute nor receive any benefits from this organization.

Regretfully Yours,

Kirk E.F. Carter VY1CC
