Hello Yuuri

My name is Bill Jones. My wife and I were part of the founding members of YARA way back in 1976. We were originally licenced as VE8BJ and VE8BK eventually changed to VY1BJ and VY1BK. I was the secretary in 1976 when YARA became registered as a Society. I was just going through some of my amateur radio papers and found the letter from Doug Spray Register of Companies along with the Certificate of Registration. I did give what I thought was all of the YARA paperwork to the secretary at the time I left the Yukon in 1983, but obviously I missed this important document. I did not know anyone in the Yukon that is involved with YARA so contacted my very good friend Ron McFadyen asking him who I should send this info to and thanks to your email, I am now able to send it to you along with a membership list from around 1977.

Note: VY1AR Ian Rutherford Mgr DOC

Andy Cobham DOC Employee.

I would appreciate an email saying that you have received this info when you get it.

Thanks

Bill Jones
