Test of Alert Ready Emergency Messaging System

The Government of Yukon issued a media release advising of a test Alert of Ready Emergency System on all media and smart phones for November 18 at around 1:55pm. https://yukon.ca/en/news/test-alert-ready-emergency-messaging-system-planned-november-18

YARA members VY1CVL Christa, VY1DY Dyson and VY1GP George were in the EMO Radio Room during the test. They checked out the YARA radio equipment, Chrysta call a special Net to see how members received the test message on their phone or through public media. Dyson liaised with EMO staff who were working with the test alert.

Ten YARA members checked in via the Haeckel Repeater and there was a check-in on 40m and 20m.
